

Dear BPA Families,

Hope everyone is enjoying their summer vacation!! This is a great time to continue working on all the skills we learned this year. Let's make sure our students are practicing.

The Summer Checklist consists of the following:

- 1 hour of iStation Reading per week
- 1 hour of iStation Math per week
- 1 Achieve 3000 article per week, Grades 3-6

Grades 3-6 students that complete the checklist and submit to their homeroom teacher by end of the first week of school, will receive a homework grade for ELA and Math in the first quarter.

Enjoy your summer, Bulldogs!
