PAVE HOURS (Parents Active in Volunteering in Education)

PARENT ACTIVITIES

The goal of our school is to make every child's potential a reality through a strong collaboration of parent/teacher/community partners. The goal of our school is to bring into closer relation the home and the school; so, that parents and teachers may cooperate intelligently in the education of children and youth. We urge all parents to actively participate in our school activities as together we make a difference, together our children will grow stronger and self-reliant.
