Ms. Yurien Fernandez Four
Assistant Principal

Dear Bridgeprep Families,

I hope that you are all well during these challenging times. We are striving each and every day to improve the Remote Learning experience for everyone. Students will participate more in ZOOM Meetings with their teachers. The ZOOM meetings will improve student/teacher contact as well as maximize learning.

We have set forth the following:

Please note that on our school's Webpage, on the left hand margin, you will now find a button titled "Remote Learning Support FAQ." Therein, you will find helpful information pertaining to distance learning.

Schedules for ZOOM Meetings – throughout the week, students will be able to share and communicate with all of their teachers. Subject areas and grade levels will not overlap.

Student attendance will be recorded in these meetings.

Due to security measures – all students will be able to enter meetings only with identification codes AND passwords for meetings. These will be sent by their teachers.

We would like parent collaboration in order to keep our meetings student-friendly and safe. Allow your child to work independently in his or her own space.

Please know that we are here for our students and families.

Thank you for your continued support

Best regards,

Ms. Natali
